Re: Carroll v. City of New Brunswick, et. al.
Civil Action No. 3:10-cv-0170

Dear Ms. Heffner;

This firm represents the plaintiff Frank Carroll in the above captioned matter. Pursuant to our recent telephone conversation, I am requesting that I be granted an extension of time to file Plaintiff's Opposition to Defendant's Summary Judgment motions to Tuesday, September 2, 2014 with a corresponding extension for Defendant's reply. All opposing counsel have consented to this extension.

If there are any questions, please do not hesitate to contact this office. Thank you for your attention.

Respectfully submitted,
